

All visitors are welcomed to enter our **Space for Processing and Reflection** designed for individuals to step away from and digest their experiences on Alcatraz. This space is located in the New Industries Building and is held today by Shannon Casey, Darlene Frontuto, Robert Luca, and Kelly Savage who are available to support our visitors.

Future IDs at Alcatraz Release Party is co-hosted by artist Gregory Sale and the *Future IDs* core project collaborators Dr. Luis Garcia, Kirn Kim, Sabrina Reid, and Jessica Tully, and the **Art in the Parks** program of the National Park Service and the Golden Gate National Parks Conservancy.

A special thanks to our **Art & Justice Interns** Baldemar Arroyo, Matt Brecke, Ernest Kirkwood, and Kelly Savage.

Alcatraz is a seabird sanctuary. Sensitive species nest next to this building. Please use finger clicks or hand waves and avoid loud clapping. Keep all sound to a spoken-voice level.
